Arbeitsgruppe Pferd presents:

# EQUINE CT AND MR IMAGING DAYS 2025

October 8 to 12, 2025 · Bonn, Germany

## PROGRAM

**This hybrid – onsite and online – course will allow you to advance your CT and MR image reading and finding interpretation skills.**

► The course **will not provide foundation training** on CT and MR imaging. Thus, in the case that you are not so experienced with these modalities or would like to refresh your knowledge, please consider booking the Foundation Training recordings of 2021 at [www.agpferd.video/recordings-2021/magnetic-resonance-2021/index.html](http://www.agpferd.video/recordings-2021/magnetic-resonance-2021/index.html)

These they are:

- MR Imaging 2021-01 and 2021-02: Online Live Events – recorded on May 12 and 13, 2021 presented by Natasha Werpy: MR image reading foundation training
- CT Imaging 2021-01: Online Live Event – recorded on May 7th presented by Maren Hellige and Gabriel Mans Diaz

► **Why attend AGPferd courses?** Because there will be instructors of different professional and geographical background with outstanding knowledge and experience on the subject tackled.

► **What is different in AGPferd events?** There will be relatively few participants, most of them quite to very experienced. Plenty of time is provided to listen and observe the instructors explaining their opinions and showing their skills. All this under comfortable conditions, with good food and an impeccable atmosphere of joviality and professionalism!
