EQUINE ONCOLOGY DAYS 2026

May 29 to 31, 2026 · Niederlenz, Switzerland

equine veterinary professionals education
– we make the difference!

ARBEITSGRUPPE PFERD

TASK FORCE HORSE in cooperation with

Pferdeklinik Niederlenz

Arbeitsgruppe Pferd presents:

EQUINE ONCOLOGY DAYS 2026

May 29 to 31, 2026 · Niederlenz, Switzerland

Register quickly –
16 participants only!

The German Academy
for Continuous Veterinary
Education (ATF) has been
requested.

PROGRAM

Jessica Kidd and Derek Knottenbelt will improve the quality of your work with their knowledge and experience by teaching about the cellular basis of cancer and its etiopathogenesis, along with the actual principles of diagnosis, treatment and management of cancer cases. The diagnostic skills will be challenged with real cases and their treatment and management options be discussed.

All presentations are in English
Speaker's bios available under www.agpferd.com

- 12:30 Apéro
- 13:30 End

▶ **Why attend AGPferd courses?** Because there will be instructors of different professional and geographical background with outstanding knowledge and experience on the subject tackled.

▶ **What is different in AGPferd events?** We work in small groups of mostly very experienced participants. Apart from lecturing our instructors present their knowledge and skills in practical demonstrations. Plenty of time is always reserved for discussions. All this under professional conditions, with good food and in a collegial and relaxed atmosphere.
